## **Section One: Program Overview**

Raising Authentic Prophets is a three month mentorship program designed to teach, equip, and train those who want to grow in the prophetic. Not only will you receive revelatory theological teachings and partake in gatherings to help mature you; this program will stretch you in the things of God. This program is more than an educational platform that you will glean from; you're joining a prophetic family that you can do life with.

## **Section Two: What to Expect**

Class will be held every Wednesday at 2PM EST | 7PM BST via Zoom. At the end of each month, we will gather on Zoom for our Prophetic Breakout Sessions. You will be put in small groups to pray and prophesy over each other under the supervision of Apostle Oscar.

The Breakout Sessions will not only stir up your gift but also provide a prophetic atmosphere that will catapult you into the prophetic (1 Timothy 1:6, 1 Samuel 19:20).

Here are some other program features to look forward to:

- **Teachings from Special Guests**
- **Case Studies:** Case Studies are thought provoking biblical sparring sessions in which mentees are given a case to examine either individually or as a group. After receiving a case one must state their position on the matter and defend it biblically. Those who hold the opposing view will have the chance to rebuttal or ask questions. The goal of this exercise is to strengthen you in defending the scriptures and doctrines.
- **Q & A:** Q&A's will be held in order to allow those who have questions about current or past lessons as well as correlating topics they wish to discuss that may not be listed in the course curriculum.
- **Group Prayer & Impartation:** During the program we will gather virtually to pray as the Lord leads. There will also be times of impartation during these sessions.
- **1-on-1 Consultation:** Each month Apostle Oscar will hold one-on-one consultations. If you have theological questions or are in need of wisdom & guidance these sessions are for. *Spots are limited and first come first serve.*
- **Impromptu Classes:** Impromptu classes are sporadic bonus teachings in which Apostle will come and teach on any given

topic. Impromptus can be extended teachings about current lessons, additional topics not listed in the curriculum, and more.

- **Study Hall:** Join together with your peers to study, review material, and more.
