School of the Apostles, SOTA, is a three month mentorship program designed to teach, equip, and train those who want to grow in the prophetic. This program is more than an educational platform that you will glean from; you're joining a prophetic family that you can do life with. We pray this program answers questions you've asked for years and equips you. Thank you for trusting my services.

Section One: Program Overview

My name is Dr. Oscar Guobadia, and I am the instructor for SOTA. In this letter you will find basic information about the course as well as resources for ensuring your success in the program. All the program's materials are located in the program's Facebook groups. At the top of the monthly pages, you will see a tag labeled "guides" and "topics". There you will find all the teachings, quizzes, assignments, and more.

In addition, feel free to post questions, engage with the community, and make posts that would benefit the group. This way you get the most out of your experience. Not only are you joining a distinguished program but you are also joining a prophetic community that you will grow with.

Here are some other program features to look forward to:

- On Demand Classes
- Recordings of Cases Studies, Q&A Sessions
- Quizzes, Exams, and Homework Assignments
